This Comprehensive Owner's Guide to the Alaskan Malamute serves as a complete introduction to this hauling and racing snow dog. An undeniably impressive Arctic breed, the Alaskan Malamute with its powerful build, classic Nordic features, including its dark mantle, cap over its head, and plumed is a cherished purebred dog, a member of the Working Group, a family companion, and true outdoor sportsman. The book begins with a fascinating chapter on the breed's history with the Mahlemut people in Alaska, followed by chapters on characteristics and the breed standard encapsulating all of the virtues of this powerhouse working dog, offering sound advice about which owners are best suited to the breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard,

purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with handsome Malamute adults and puppies bursting with personality! In all, there are over 135 photographs in this compact, useful, and entertaining volume. The author's advice on obedience training the very intelligent but sometimes stubborn Alaskan Malamute will help readers better mold and train their dogs into the most socialized, well-mannered Malamutes in the neighborhood. The extensive chapter on healthcare written by Dr. Lowell Ackerman provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

A scientifically based herbal and nutritional program to master stress, improve energy, prevent degenerative disease, and age gracefully

- Explains how adaptogenic herbs work at the cellular level to enhance energy production and subdue the pro-inflammatory state behind degenerative disease
- Explores the author ' s custom adaptogenic blends for the immune system, cardiovascular health, thyroid function, brain health, and cancer treatment support
- Provides more than 60 monographs on herbs and nutritional compounds based on more than 25 years of clinical practice with thousands of patients

Weaving together the ancient wisdom of herbalism and the most up-to-date scientific research on cancer, aging, and nutrition, renowned medical herbalist and clinical nutritionist Donald Yance reveals how to master stress, improve energy levels, prevent degenerative disease, and age gracefully with the elite herbs known as adaptogens. Yance ' s holistic approach, called the Eclectic Triphasic Medical System (ETMS), is based on extensive scientific research, more than 25 years of clinical practice, and excellent results with thousands of patients. It centers on four interconnected groups of health tools: botanical formulations, nutritional supplements, diet, and lifestyle. Defining three categories for adaptogenic herbs, he explains how formulations should combine herbs from each category to create a synergistic effect. He provides more than 60 monographs on herbs and nutritional compounds as well as custom combinations to revitalize the immune system, build cardiovascular health, protect brain function, manage weight, and support cancer treatment. He explains the interplay of endocrine health, the hypothalamic-pituitary-adrenal (HPA) axis, thyroid function, and stress in the aging process and reveals how adaptogenic treatment begins at the cellular level with the mitochondria--the microscopic energy producers present in every living cell. Emphasizing spirituality, exercise, and diet in addition to herbal treatments and nutritional supplements, Yance ' s complete lifestyle program explores how to enhance energy production in the body and subdue the proinflammatory state that lays the groundwork for nearly every degenerative disease, taking you from merely surviving to thriving.

The Death Star is a spherical space station, the size of a small moon, highly armoured and armed to destroy anything from enemy spaceships to whole planets. Using cutaway drawings, exploded diagrams and photographs, backed by detailed technical specifications and descriptions of the onboard systems, this owner's manual reveals the technology contained within and lays bare the awesome power (and weaknesses) of the Empire's ultimate weapon.
