It has been a damned nice thing \u2013 the nearest run thing you ever saw in your life. The history of a battle, is not unlike the history of a ball. Some individuals may recollect all the little events of which the great result is the battle won or lost, but no individual can recollect the order in which, or the exact moment at which, they occurred, which makes all the difference as to their value or importance.

"Soldiers of the 39th and 85th Infantry Regiments," he told two units that had run away during a battle in 1796, "you are no longer fit to belong to the French Army. You have shown neither discipline nor courage... the chief of staff will cause to be inscribed upon your flags: 'These men are no longer of the Army of Italy.'"

Bonhams : 'A damn close run thing'

\u2013The damn-nearest run thing you ever saw in your life!\u2013. Retiring from the Army he entered politics where he became a leading member of the Tory Party. In 1828 he became Prime Minister and though deeply conservative he was ever the pragmatist and forced through the Catholic Emancipation Act thus ending hundreds of years of religious division and exclusion.

The Battle of Waterloo: A Damn Near Run Thing \u2013 Prisoners ...

The phrase 'a damn close run thing' is often attributed (incorrectly as it happens) to Sir Arthur Wellesley, the 1st Duke of Wellington in reviewing his victory over Napoleon Bonaparte at the Battle of Waterloo. Whoever wins the United States presidential election in November 2012, almost certainly will be entitled to pass the same judgment.\u2013

A damn close run thing | Charles Rowley's Blog

The reader is left with the impression that, like Waterloo, Lepanto was a damn close-run thing. How easily Michelangelo's great new domed basilica of St. Peter's might have suffered the same fate as Hagia Sophia in Constantinople!

A damn close-run thing | The New Criterion

It has been a damned nice thing \u2013 the nearest run thing you ever saw in your life. There is no mistake; there has been no mistake; and there shall be no mistake. I believe I forgot to tell you I was made a Duke. Postscript to a letter to his brother Henry Wellesley (22 May 1814), published in Supplementary Despatches and Memoranda of Field Marshal Arthur, Duke of Wellington (1862) by Arthur Wellesley, 2nd Duke of Wellington.

A Damn Close-Run Thing. As Monday was a Bank Holiday, Dean 's girlfriend had gone to America for three weeks and Ninjasaurus Rex was awake, we gathered together for our first game of Bl\u00fchcher, the new Napoleonic rules from Sam Mustafa. It has been over a quarter of a century since I last played a Napoleonic wargame (besides two games of Shako, fifteen years ago...), so I was looking forward to this as I have also been wanting to get back on the Napoleonic horse for a while.

A Damn Close-Run Thing - Storm of Steel Wargaming

It is a trite saying that hindsight is a wonderful thing and it is very easy to criticize. But the fact that we did, in the end, produce the Companies Act 2006 does, I think, give us the right to say how our task could have been made easier. It was a damn close run thing, but in the end it happened.

August 30, 1776 A Damn Close-Run Thing The silent evacuation over the night of August 29-30 had averted disaster, a feat made possible only through the nautical skills of the merchants and rum traders, the sailors and the fishermen of Colonel John Glover's Marblehead, Massachusetts militia, the \u2013Amphibious Regiment!\u2013.

\u2013It was a damn close-run thing!\u2013 Major-General Moore, commander of the British land forces in the South Atlantic In 1982, the average Briton didn't know the Falkland Islands existed, let alone their status as a disputed British territory just off the coast of Argentina. That changed when the Argentinians invaded the islands and overwhelmed the small defending force. Both nations claimed the islands were theirs, but now Argentina thought the British would give them up without a fight. They were wrong. Britain sent a task force into the South Atlantic to re-take the islands, and the short, intense war that followed was in the words of Major-General Sir John Jeremy Moore "a damn close-run thing." This short history sums up the events leading up to the war and its major military actions including details of an Argentinian plan to sink a Royal Navy ship in Gibraltar harbour (foiled at the last minute by Spanish police) and an audacious British plan to land SAS soldiers in Argentina to destroy Exocet-carrying aircraft while they were still on the ground.

The authoritative naval historian Bernard Ireland takes a fresh and fascinating look at the long and bitter struggle waged by the Allies against the Nazi U-boat threat. After sifting through the evidence, old and new, he questions the popular theory that it was a 'damn close-run thing'. He cites the massive resources that the United States brought to bear both at sea and in their shipyards, together with advances in technology and the breaking of German codes by Enigma. Far from 'revisionist' history, this is a closely argued work that demands reading.

Damn' Rebel Bitches takes a totally fresh approach to the history of the Jacobite Rising by telling fascinating stories of the many women caught up in the turbulent events of 1745-46. Many historians have ignored female participation in the '45: this book aims to redress the balance. Drawn from many original documents and letters, the stories that emerge of the women - and their men - are often touching, occasionally light-hearted and always engrossing.

\u2013The historian,\u2013 wrote E. L. Doctorow, \u2013will tell you what happened. The novelist will tell you what it felt like.\u2013 This book sees Peter Hennessy and Robert Shepard combine both approaches with the art of the interviewer, a craft at once sensitive and probing. Reflections collects transcripts of the best interviews from the BBC Radio 4 series Reflections with Peter Hennessy, a show on which the British political elite have spoken candidly about their careers and the moments that came to define their political lives. Supplementing the interviews are short biographies and profiles of the interviewees, allowing readers a fuller picture of each speaker's background and professional trajectory. This revealing book includes conversations with political heavyweights such as former prime minister John Major; former foreign secretaries Margaret Beckett, David Owen, and Jack Straw; Labour Party leader Neil Kinnock; Liberal Party leader David Steel; and chancellor of exchequer Nigel Lawson. In addition, Reflections presents interviews with leading women, including Shirley Williams and Clare Short, who spent years at the forefront of their parties in Westminster. The latest volume in the popular Haus Curiosities series, Reflections offers valuable insights from some of today's most influential political figures.

Behind Ike's grandfatherly mask, the free world's foremost spymaster

BONUS: This edition contains an excerpt from Frank Delaney's The Matchmaker of Kenmare. January 1932: Ben MacCarthy and his father watch a vagabond variety revue making a stop in the Irish countryside. After a two-hour kaleidoscope of low comedy, juggling, tumbling, and other entertainments, Ben's father, mesmerized by Venetia Kelly, the troupe's magnetic headliner, makes a fateful decision: to abandon his family and set off on the road with Miss Kelly and her caravan. Ben's mother, shattered by the desertion, exhorts, \u2013Find him and bring him back.\u2013 thereby sending the boy on a Homeric voyage into manhood. Interweaving a host of unforgettable creations\u2013King\u2013 Kelly, Venetia's violent, Mephistophelean grandfather; Sarah Kelly, Venetia's mysterious, amoral mother; and even a truth-telling ventriloquist's dummy named Blarney\u2013Frank Delaney unfurls a splendid narrative that spans half the world and a tumultuous decade.

\u2013A clear-eyed, grand-scale biography . . . written with great vitality and a broad understanding of both military history and human nature . . . illuminating . . . [Eisenhower] provides a vivid lesson in leadership at just the moment when leadership is of such paramount importance to the nation and the world.\u2013David McCullough Ike is acclaimed author Michael Korda's sweeping and enthralling biography of Dwight David Eisenhower, arguably America's greatest general and one of her best presidents:a remarkable man in an extraordinary time, the hero who won the war and thereafter kept the peace. In this, the first single volume biography of Dwight D. Eisenhower to appear in decades, Michael Korda offers an honest and penetrating look at the general and president reverentially known as Ike. Full of fascinating details and anecdotes drawn from a rich treasure of letters, diaries, and historical documents, Ike shows how Eisenhower's genius as a commander and a leader, his generosity of spirit, and his devotion to duty were vital in achieving victory, and formed, in many ways large and small, the world in which we now live.

British cavalry soldier Cornet Matthew Hervey and his regiment, the 6th Light Dragoons, journey from the Pyrenees to the distant shores of Cork, and finally to Belgium in mid-June, 1815, at the crossroads of Quatre Bras near the small village of Waterloo. Reprint.
