"The complete technical manual and troubleshooting guide for motorhomes, travel trailers, fifth wheels, folding campers, truck campers, and vans"--Notes.

THE MODERN CARAVAN is a warm invitation into rolling homes designed for life on the open road. Brimming with evocative storytelling and hundreds of photographs showcasing handsome interiors and stunning landscapes, this book features 25 stories from solo travelers, couples, and families who traded the comforts of a rooted life for ever-changing vistas and eye-opening experiences. You'll meet a family exploring Australia in a cozy vintage camper filled with plants and natural wood finishes; a young couple designing a modern trailer inspired by the colors and textures of the high desert; a husband and wife living in a chic Airstream with green velvet seating, floral wallpaper, and herringbone wood floors. Balancing style with function, each carefully crafted tiny home is the result of long-held dreams, ingenuity, and imagination.

Buckle up as Douglas Keister takes you for a decidedly retro ride in the world of diminutive travel trailers in *Teardrops and Tiny Trailers*. The demand for vintage trailers—the smaller the better—has risen dramatically in recent years, with the most in-demand trailers being "teardrops," first manufactured in the 1930s and containing just indoor sleeping space and an outdoor exterior kitchen. Also profiled in the book are "canned ham" trailers, whose shape resembles the profile of a can of ham; small-size examples of America's most beloved vintage trailer, the Airstream; miniscule gypsy caravans in Europe; and fiberglass trailers made in Canada. Two hundred color photographs showcase these trailers' sleek exteriors, retro-styled interiors, and, in many cases, the restored classic cars that tow them. *Teardrops and Tiny Trailers* includes a resource section chock-full of places to locate vintage trailers, clubs to join, and rallies to attend. Photographer/writer Douglas Keister has authored thirty-six critically acclaimed books. His books on classic recreational vehicles include *Ready to Roll*, *Silver Palaces*, and *Mobile Mansions*. In addition, he has authored twenty-five books on architecture, including *Inside the Bungalow*, *Storybook Style*, *Red Tile Style*, *Classic Cottages*, and *Cottages*. Keister also writes and illustrates magazine articles and contributes photographs and essays to dozens of magazines, newspapers, books, calendars, posters, and greeting cards worldwide. He lives in Chico, California.
