In the Complete Coach: A Brit and Texan Solve the Coaching Puzzle, Tim and Jeremy put the pieces together that make up the Complete Coach. They present coaching principles developed and lessons learned through their tennis journey playing high level tennis as juniors and in college and growing up in separate parts of the world - Tim in United Kingdom and Jeremy in Texas. Their common passion for seeing all coaches succeed in their profession is the driving force behind their partnership in coaching and writing this book. They are USPTA Elite Professionals, PTR Professionals and graduates of USTA High Performance program. They have been featured in Club Business International and Club Solutions Magazine. They have made frequent presentations for USPTA, PTR, USTA, Tennis Industry Association and International Health, Racquet and Sportsclub Association.

The Accelerated Tennis Program is a guide designed for individuals who want to advance their player development as rapidly as possible. Having efficient mechanical skills is not enough. In order to play well and win on a consistent basis you need to have a mental edge over your opponent. As you go through this book it will be necessary for you to make honest evaluations of your mental, physical and emotional states. By studying the concepts of each chapter, and implementing them into your practice and match play, you will learn how to control your emotions and adapt to almost any on-court situation. One of the main purposes of this book, which differs from other instructional books on tennis, is that it teaches you how to evaluate your matches from a mental and emotional perspective. Learning to do this is essential in order to make progress and improve your game. This guide includes many strategies, techniques and concrete examples that will help you strengthen your mind as a psychological muscle in order to develop mental/emotional toughness. In short, if you are serious about improving your game, the Accelerated Tennis Program will assist you in achieving your goal.

Coaching Tennis Technical and Tactical Skills is a practical resource that will help you become a better high school, club, or college tennis coach. With the expert guidance of Kirk Anderson, director of recreational coaches and programs for the United States Tennis Association, you will learn coaching and evaluating skills and then focus on technical and tactical skills of tennis, including quick tips on detecting and correcting errors in your athletes, cues athletes need to be aware of in various tactical situations, and key information your athletes need to know to make the appropriate decisions on the court. Skills are cross-referenced so you can see how the skills relate to each other and quickly determine how to use them in practice situations. Whether you are a veteran coach or just a beginner, this book will help you take your coaching to the next level by providing you with the tools you need to teach athletes the game of tennis.
