Byrne—who has relied on a bike to get around New York City since the early 1980s—relates his adventures as he pedals through and engages with some of the world's major cities.

~~Bicycle Diaries by David Byrne, Paperback | Barnes & Noble®~~

A renowned musician and visual artist presents an idiosyncratic behind-the-handlebars view of the world's cities. Since the early 1980s, David Byrne has been riding a bike as his principal means of transportation in New York City. Two decades ago, he discovered folding bikes and started taking them on tour.

## Read Book Bicycle Diaries David Byrne

Bicycle Diaries chronicles David ' s observations and insights—what he is seeing, whom he is meeting, what he is thinking about—as he pedals through and engages with some of the world ' s major cities. In places like Buenos Aires, Istanbul, San Francisco, and London, the focus is more on the musicians and artists he encounters.

~~David Byrne | Bicycle Diaries | About~~

Travel - Book Review: ' Bicycle Diaries ' by David Byrne "Anyone who grew up listening to David Byrne ' s songs may have trouble adjusting to the pitch of his writing voice. While his lyrics reveal an intensely knowing sensibility, easily bruised and a little unhinged, this book and his genial blog present him as an unflappably normal guy, whose preferred mode of transportation keeps him grounded."

~~David Byrne | Bicycle Diaries | Press~~

David Byrne travels the world with his folding bike, and cycles around almost aimlessly but with an intelligent perception of what's going on around him. There's no flow to the narrative, but the book is full of insights into an extremely wide range of subjects.
