Block format is typically used for business letters. In block format, the entire text is left aligned and single spaced. The exception to the single spacing is a double space between paragraphs (instead of indents for paragraphs). An example block style letter is shown below and can be linked to in our eBook, The AMA Handbook of Business Writing, page 455.

Zip Code. Dear Mr. ABC, My friend and your former employee informed me about a job vacancy of Office Manager at ABC Corporation. I have a five-year experience of Administrative Assistant and it would be a great opportunity to work for your company.

Block Letter Format: Full, Modified & Semi-Block (with ...

There are two basic patterns writers use for comparison/contrast essays: the block method and the point-by-point method. In the block method, you describe all the similarities in the first body paragraph and then all the differences in the second body paragraph. The guideline below will help you remember what you need to do in each part of a comparison/contrast essay using the block method.

Comparison and Contrast Essay: Block Method

Letters written in block style have every line aligned at the left margin. This makes them easy to read and quickly. The standard block letter style and its variations are meant to be used as guides to help you format letters. Examples of each style and free templates are available online, each a bit different than the next.

Author-Date Sample Paper. NB Sample Paper. General CMOS Guidelines. Text should be consistently double-spaced, except for block quotations, notes, bibliography entries, table titles, and figure captions. For block quotations, which are also called extracts: A prose quotation of five or more lines, or more than 100 words, should be blocked.

General Format // Purdue Writing Lab

A typical quotation is enclosed in double quotation marks and is part of a sentence within a paragraph of your paper. However, if a quotation takes up more than five lines in your paper, you should format it as a block quotation rather than as a regular quotation within the text of a paragraph. Most of the standard rules for quotations still apply, with the following exceptions: a block quotation will begin on its own line (skip a line before and after the block quotation), it will not be ...

Chicago/Turabian: Block Quotations

The block arrangement organises the essay according to the objects. In the block arrangement above the contrasted objects are backpacking and staying in hotels. In the first body paragraph backpacking is explained firstly in terms of its cost and then safety.

The Structure of a Compare or Contrast Essay

The UK format is similar to US full block format, with these key differences for UK letters: The return address is right-aligned The date is written as “ 15th May 2008 ” not “ May 15, 2008 ” A comma, not a colon, follows the recipients ’ name
