The title Choose Yourself by James Altucher is quite appealing. However there is nothing exceptional in this book. Some of the sections (Simple Daily Practice, Ten ideas to start you off, Interesting stories on Gandhi) were motivating and helpful while some of the sections seemed as add-ons. There is no proper flow of contents; too random.

Out of the four, Altucher's Choose Yourself is the one that stuck. What's interesting about James Altucher is he doesn't hide his shortcomings. Whereas most people would hide or at least downplay the severity of their failures, James holds nothing back. From losing millions of dollars to relationships with friends and family, it's all on display.
