This workbook combines review activities and practical applications that relate to the content of the textbook chapters from Auto Collision Repair and Refinishing. Questions designed to reinforce the textbook content help students review their understanding of the terms, concepts, theories, and procedures presented in each chapter. The Lab Workbook also contains a series of Job Sheets that provide hands-on practice of skills and procedures aligned to the ASE Education Foundation Tasks. The jobs engage students with the practical skills needed to succeed and are designed to be accomplished in one or two lab sessions. The Shop Manual Job Sheets are intended to be completed in a shop setting under the guidance of an instructor.
