The Hardy brothers must dismantle a dangerous crime gang in this first book of a fresh approach to a classic series. Teenagers Frank and Joe Hardy are supposedly "retired" from their detective work. But there is a new mystery in Bayport that needs their investigative expertise—and fast! Starting with a bank heist, a series of alarming pranks have popped up around Bayport. Ultimately harmless, the pranks turn out to be the work of Seth Diller, an amateur filmmaker who plans to make "zillions" from his

reality-horror flick, which he'll use to help out his brother, a wounded Marine. But after the Hardy brothers put a stop to the Panic Project, there is a new outbreak of Seth-like pranks—only these have definite victims. All signs point to evidence of a crime gang in Bayport, and Frank and Joe undertake the most dangerous investigation they've ever encountered. It's up to them to save their town—and themselves—before the Red Arrow gets to them first.

Brother detectives Frank and Joe search a hidden castle for clues to help them find a missing comic book in the nineteenth book in the thrilling Hardy Boys Adventures series. Frank and Joe have been hanging out at Sir Robert's Comic Kingdom, the local comic and gaming shop, and got the exclusive invite to this year's Halloween costume ball at Bayport's one and only castle. Sir Robert plans to use the big event to unveil his most prized possession, a super rare comic that is rumored to contain a map to buried treasure. Sir Robert agrees to show his store regulars—who now include Frank and Joe—a sneak preview of the comic before the party. But when he goes to unlock the fireproof casing, he finds the book is gone. It will take all of Frank and Joe's recently acquired LARPing skills to solve this case. Anything can happen in a castle full of dungeons and deception. Can the Hardy boys keep up?

but that recently got new owners and a facelift. Their friend Daisy's family has everything riding on Funspot's success: If the revamped park is a failure, her family will be broke! At first, an exhilarating new attraction is a huge hit—but when one of the riders disappears into thin air, fun and games turns into spine-tingling danger. Will the Hardy Brothers find the missing rider and restore Funspot's reputation, or is the amusement park doomed for disaster?

Brother detectives Frank and Joe cook up a new case as a series of accidents threatens a remote island in the twenty-second book in the thrilling Hardy Boys Adventures series. When Aunt Trudy wins a competition to intern with celebrity chef Colton Spark, she invites Frank and Joe to join her on her trip to the remote Rubble Island off the coast of Maine, where she'll be helping Colton cook for the prestigious Golden Claw Awards. They'll be staying at the island's beautiful Seaspray Inn where the event is being hosted, and though it's the off-season, the boys will be free to check out the rocky beaches, learn about lobstering, and take in all the close-knit community has to offer. Still, even before the Hardys reach the island, it becomes clear that the locals are not big fans of Colton. As the big day approaches, the Seaspray Inn encounters a series of mishaps. Is it bad luck, or is someone trying to scare Colton off? And then, the night before the awards, the Golden Claw goes missing! But before the police can make it over from the mainland to investigate, a huge storm blows in. Cut off from the world, tensions on the island are higher than ever. Will Frank and Joe be able to figure out who's behind the crimes before someone gets

hurt? Or is this troubled island more than they can handle?

A criminal that seems to be straight out of a Sherlock Holmes novel is out to get brother detectives Frank and Joe in the sixteenth book in the thrilling Hardy Boys Adventures series. An original Sherlock Holmes manuscript was stolen from the Bayport Museum and now pages keep showing up in Frank and Joe's things: their lockers, menus, even the backseat of their car. It's clear someone is out to frame them. But who could it be? The boys try their usual means of deduction, but everything leads to a dead end. They just keep finding unsuspecting people who were paid to hide the pages by a mysterious third party. Frank recognizes this tactic—it's exactly what Moriarty would do to throw off Sherlock Holmes. So the brothers decide to use one of Sherlock's signature ideas: The Baker Street Irregulars. Though instead of street kids, Frank and Joe use a group of skateboarding tweens to keep their eyes and ears open around town. It's a battle of wits as the brother detectives try to clear their name. But this Moriarty wannabe always seems to be one step ahead. Can the Hardy boys find the real culprit before it's too late?

Frank and Joe's immersive murder mystery experience turns into a real missing person's case.
