Firebird, and more.

Build Database Applications with Delphi - ThoughtCo

The database engine permits you to concentrate on what data you want to access, instead of how to access it.

From the first version, Delphi provides database developers

Acces PDF Delphi Database

with the BDE (Borland Database Engine).
Beside the BDE,
Delphi from the fifth
version supports
Microsoft ADO
database interface.

Fundamentals of
Database

Development (with
Delphi) ? DB/1

Delphi is a software
product that uses the
