Manufacturers listed by equipment category. Alphabetical listing of firms. Featured products. Equivalens and conversions.

Shows how to set up, operate, and manage a financially successful food-service operation. This book cover the process of a restaurant start-up and ongoing management, pointing out methods to increase chances of success, and showing how to avoid the many common mistakes that can doom a start-up.

Covering New York, American & regional stock exchanges & international companies.

This manual helps to keep your car in top condition: There is a chapter on owner maintenance, up-to-date specification charts, and an expanded index that helps you locate information fast.

In writing on Kierkegaard an author should consider-as Kierkegaard did, not only his purpose in writing, but the purposes of writing-which may contradict him. Gene Fendt offers a polyvocalic reading of Works of Love, grounded in a post-structuralist theory of signs, leading-as a matter of literary and psychological, if not ontological, course-to Fear and Trembling.
