Adobe InDesign is the world's premier page-layout tool, and its user-friendly yet sophisticated typographic controls are a big reason why. This updated edition of Nigel French's InDesign Type, the first book to focus exclusively on the typographic features of InDesign, provides a comprehensive overview of the application's vast array of type capabilities, from the basics of character-level formatting to strategies for designing complex layouts using grids. With practical examples, loads of tips, and a wealth of illustrations, InDesign Type offers guiding principles for how to get the best-looking type in the most efficient way possible. InDesign Type is a rich resource for anyone who wants to master the fine points of typography and works with Adobe InDesign.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign Classroom in a Book (2020 release) from Adobe Press. The project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of

typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications--from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in easy-to-follow lessons and are designed to train beginning Adobe InDesign users in the program--from fundamental features to powerful layout and output skills. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson. All buyers of the book get full access to the Web Edition: A Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn InDesign CS6 choose Adobe InDesign CS6 Classroom in a Book from the Adobe Creative Team. The 16 project-based lessons show readers step-by-step the key techniques for working with InDesign CS6. Readers learn what they need to know to create engaging page layouts using InDesign CS6. This completely revised CS6 edition covers the new tools for adding PDF form fields, linking content, and creating alternative layouts for digital publishing. The companion CD includes all the lesson files that readers need to work along with the book. This thorough, self-paced guide to Adobe InDesign CS6 is ideal for beginning users who want to master the key features of this program. Readers who already have some experience with InDesign can improve their skills and learn InDesign's newest features. " The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." – Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book® , the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does–an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

With the Adobe Creative Suite 6 release, Adobe has transformed InDesign into a layout program not only just for print, but also for the web and for tablet devices like the iPad. ADOBE INDESIGN CS6 INTERACTIVE: DIGITAL PUBLISHING FOR THE INTERNET AND THE IPAD is a brand new text that goes the full distance to teach readers how to use InDesign's newest interactive features. Filled with in-depth lessons that teach readers how to create real web sites with video, sound, hyperlinks, animation and complex interactivity, this text gives a hands-on lessons approach to demonstrate the process of registering a URL, purchasing hosting, and uploading files to create a web site. In addition to the web, this revolutionary book teaches readers how to create layouts for the iPad, upload to the iPad, and create unique downloadable apps. Using ADOBE INDESIGN CS6 INTERACTIVE, any designer who is proficient with InDesign can create publications for the entire interactive world to see! The Data Files used to complete the projects found in the book are now available online. For access information please refer to the directions available in the preface of the book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The 15 project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications-from a simple postcard to an

interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in an easy-to-follow, step-by-step format and are designed to train beginning Adobe InDesign users in the program-from fundamental features to powerful layout and output skills. This book also enables experienced InDesign users to elevate their skills, understand best practices, and learn about new features. Enhancements in this version target usability and productivity, including the ability to browse fonts visually, using Content Aware Fit for intelligent image placement, use Layout Adjust to automatically adjust layout when changing page sizes, and quickly access common controls in the Properties panel.

Book Design Made Simple gives DIY authors, small presses, and graphic designers-novices and experts alike-the power to design their own books. It's the first comprehensive book of its kind, explaining every step from installing Adobe InDesign right through to sending the files to press. For those who want to design their own books but have little idea how to proceed, Book Design Made Simple is a semester of book design instruction plus a publishing class rolled into one. Let two experts guide you through the process with easy step-by-step instructions, resulting in a professional-looking top-quality book.

"In You Are Here (For Now), artist and author Adam J. Kurtz is vulnerable, wise and hilarious as he doles out advice and comfort to anyone who's really going through it." – BookPage The national bestseller An honest and relatable guide to figuring out where you're headed—and feeling okay in the meantime. When life feels uncertain, or just plain out of control, making intentional choices can help us move forward and find our way. Sometimes all it takes is a gentle nudge, but for anyone waiting for that big, obvious sign from the universe: This is it! This candid collection of essays and artwork is full of reflections, encouragement, and insights on the theme of personal transformation—realistic perspectives to help you move from "staying alive" to nurturing and celebrating the person you know you really are. From the generous and slightly jaded mind of artist Adam J. Kurtz, these pages explore mental health, identity, handling setbacks, and finding humor in the unknown—and will be a touchstone for seekers, graduates, creatives, and anyone who's trying to figure out what's next (and maybe even feel a little hopeful about it).

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign Classroom in a Book (2020 release) from Adobe Press. The project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields.
