If there is one thing Ford enthusiasts have learned over the years, deciphering which Ford parts work with which Ford engines is a far more difficult task than with many other engine families. Will Cleveland heads fit on my Windsor block? Can I build a stroker motor with factory parts? Can I gain compression by using older-model cylinder heads, and will it restrict flow? Is there a difference between Windsor 2-barrel and 4-barrel heads? These are just a few examples of common questions Ford fans have. These and many other questions are examined in this all-new update of a perennial best seller. Thoroughly researched and, unlike previous editions, now focused entirely on the small-block Windsor and Cleveland engine families, Ford Small Block Engine

Parts Interchange includes critical information on Ford ' s greatest small-block engines and goes into great detail on the highly desirable high-performance hardware produced throughout the 1960s, 1970s, and 1980s. By combining some of the best parts from various years, some great performance potential can be unlocked in ways Ford never offered to the general public. Following the advice in Ford Small-Block Engine Parts Interchange, these engine combinations can become reality. You will find valuable information on cranks, blocks, heads, cams, intakes, rods, pistons, and even accessories to guide you through your project. Author George Reid has once again done extensive research to accurately deliver a thorough and complete collection of Ford small-block information in this newly

place to meet, volunteer tutors, and resources like Open Door Books. Members of the church and/or community serve as literacy tutors, usually working one-on-one or in small groups with people who are unable to read well. Open Door Books are designed especially for adults who are just learning to read and for those who are learning English as a second language. Written at a third- to fifth-grade reading level, they're essential for language ministries or literacy programs. Interesting life stories, both contemporary and historical, help motivate adults to learn to read. Written ecumenically at a third- to fifth-grade reading level, this series is also appropriate for non-Christian readers.
