The entire range of services of the modern fire service is explored, including emergency medical services, hazardous materials response, wildland fires, swiftwater rescue, and urban search and rescue. The Sixth Edition includes: An emphasis on safety and professionalism, which is reinforced through discussions of incident effectiveness, fire fighter ethics, customer service, physical fitness, training, decision making, fire prevention, and behavioral health Organizations that support the fire service are highlighted, including: Firefighter Behavioral Health Alliance. A growing number of studies have begun to examine the influence of language-specific factors on language acquisition. During language acquisition, German children from six years on use structures that are similar to those of adults in their language group and also encode all semantic components from an early age. In striking contrast, French children up to ten years have difficulties producing some of the complex structures that are necessary for the simultaneous expression of several semantic components. Nonetheless, in addition to these striking cross-linguistic differences, the results of this study also clearly show similar developmental progressions in other respects, suggesting the impact of general developmental

Angie Abdou_s short story debut is a sassy collection about likeable women running wild. In an irreverent vivisection of cultural myths of gender such as "women are born nurturers" or "men are inherently more aggressive", Abdou reveals the silent contracts that lie at the underbelly of polished marriages, platonic friendships, barroom flirtations and not-so-meaningless sex. Abdou_s characters have an easy honesty, a dirty-kneed grace that reminds us of girls who climbed trees and pulled the wings off butterflies. Now grown up, they offer biting and insouciant revelations into sexual stereotypes, fear of intimacy, and anger management. Abdou's stories brim with the emotional, moral and social conundrum of living GAP commercial feminism on a thrift store budget, and provide a deliciously self-effacing joyride through the girl slums of Boystown.
