With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

Rising from the drug-infested streets of '80s New York City, the incomparable Sonic Youth recorded some of the most important albums in alternative music history and influenced an entire generation of indie rockers. They helped spawn an alternative arts scene of underground films and comics, conceptual art, experimental music, even fashion. More than perhaps any band of their time, they brought art previously considered "fringe" into the mainstream - and irrevocably altered the cultural zeitgeist. Based on extensive research, exclusive band interviews, and unprecedented access to unreleased recordings and documents, Goodbye 20th Century is the definitive biography of the Velvet Underground of their generation.
