This book is designed to prepare BSA and BSMA students to become professionals who provide value to the organization and who serve as the catalyst for improving organization governance, risk management, and internal control. This subject, "Governance, Risk Management, and Control," makes up thirty-five percent (35%) of the 2019 CIA Exam Syllabus, Part 1 – Essentials of Internal Auditing, covering the foundation of internal auditing; independence and objectivity; proficiency and due professional care; quality assurance and improvement programs; governance, risk management, and control; and fraud risk. May this book be a blessing to BSA and BSMA students.

interrelated to give students a firm foundation in all of finance--not just corporate finance. Each chapter offers a concise, self-contained treatment of one or two finance concepts, or institutions easily covered in a single class period. Students can build on what they learn through the text's Internet resources, number problems, illustrations using financial calculators, and a Microsoft Excel appendix. The time value of money is emphasized throughout. The 11th Edition includes numerous self-help problems with answers and relationships with answers, new coverage of classes of stock/preferred stock, new sections on Internet sources of information, and updated tax laws.
