**Perisai Gaib Shalawat Zikir Doa Hizib Dan Amalan Syaikh**...

This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'Ilaj bir-Ruqyah mina' Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar, 1409

**Perisai Gaib Shalawat Zikir Doa Hizib Dan Amalan Syaikh**...

The Zen Master Thich Nhat Hanh was asked what we need to do to save our world. "What we most need to do," he replied, "is to hear within us the sound of the earth crying." Our present ecological crisis is the greatest man-made disaster this planet has ever faced—its accelerating climate change, species depletion, pollution and acidification of the oceans. A central but rarely addressed aspect of this crisis is our forgetfulness of the sacred nature of creation, and how this affects our relationship to the environment. There is a pressing need to articulate a spiritual response to this ecological crisis. This is vital and necessary if we are to help bring the world as a living whole back into balance.

The Indian Sufi master Hazrat Inayat Khan (1882-1927) was the very first teacher to bring Sufism to the Western world. This is the first representative collection of the master's teachings – making it the perfect book for anyone who has been intrigued by his writings but unsure about where to start in his sixteen-volume collected works. Newcomers will be inspired by just how delightful and useful Inayat Khan's teachings are for everyone, regardless of religious background. Long-time students will find the book a valuable reference to the essence of his teachings on a variety of subjects. Each chapter includes a wealth of material taken from Inayat Khan's work on a particular subject, such as Mysticism, Discipleship, Music, Children, or Divine Intimacy, followed by a selection of his short sayings and aphorisms on the same topic.

The Islamic Turks were poised to overrun Europe at The Battle of Vienna on September 11/12 of 1683, but were defeated.The Islamic InvasionAs Mosques appear across the country people are asking- "What do I need to Know about Islam?" Islam-once an obscure Middle Eastern religion-has rapidly grown into the second largest religion in the world. There are now more Muslims than Episcopalians in the United States!What attraction does Islam hold for its followers?

What part does it play in shaping the outlook and attitudes of nearly one billion people?Noted author Dr. Robert A. Morey, internationally recognized authority on the origins of the teachings and rituals of Islam- explores the pre-Islamic history of Allah, and the doctrines and customs of Islam reveals Islam's teaching about current issues such as religious freedom and the role of womenThe Islamic Invasion will give you the insight you need to understand Islam and the challenge it poses today. Dr. Morey warned the United States and Europe about Islam during the early 1980's long before 9/11. Most books on Islam since 9/11 have used his analysis of the Quran or Hadith.Special thanks to Professor Colin Akridge-who is a Vietnam Veteran and black scholar in the field of comparative religions-for his valuable and insightful contributions and working with him for researching and writing the section entitled The Black Muslim Movement in America. Dr. Robert A. Morey Ph.D., D. Min., D.D.Faith Defendershp: /www.faithdefenders.com

In describing al-Wabi al-Sayyib, here translated into English for the first time as Ibn Qayyim al-Jawziyya on the Invocation of God, the author says, "We have mentioned [in it] nearly one hundred benefits of remembrance of God [dhikr], and the secrets of remembrance...This is a book of great usefulness." Written in the fourteenth century by the renowned theologian Ibn Qayyim al-Jawziyya, this treatise movingly details the many blessings of the remembrance of God. Through discussions of the ego, the nature of the body, the ephemerality of the world, the degrees of prayer, fasting, charity, and the purification of the heart, this beautifully written work is a genuine contribution to Muslim spirituality. What makes Ibn Qayyim al-Jawziyya on the Invocation of God of great interest is that it illustrates the spiritual life of Ibn Qayyim and of his teacher, the Hanbalite reformer Ibn Taymiyya (1263AH/1328AD).

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1980.

A collection of Muslim traditions.
