students' study time by focusing on the essential material in pediatrics.

Logically organized, clearly written, and learner-friendly, the book is designed to help readers identify relationships

Online Library

Nms Pediatrics

and distinguish the most important facts, principles, and concepts. NMS Pediatrics, Fourth Edition is written by a leading physician, experienced in teaching and skilled in clarifying the

Online Library

Nms Pediatrics

most important points. Each chapter presents material in a narrative outline with a concise yet comprehensive review. Study questions appear at the end of each chapter; and comprehensive

Online Library

Nms Pediatrics

examinations at the end of the book provide simulations of Board exams.

"Through this comprehensive review of internal medicine, we sought to capture the essential

Online Library

Nms Pediatrics

concepts and key elements of our specialty by focusing on general internal medicine and the numerous medical subspecialties. Although internal medicine is constantly evolving, there are basic

Nms Pediatrics

principles and
thought
processes that
remain the
essence of our
specialty.
Learning the
facts is only
the beginning.
Medical students
must develop
their skills in
deductive
reasoning and

Online Library
