“ It ’ s a strange thing, nyctophobia. You ’ re not born with it. It can start at any time. It comes and goes, and it ’ s one of the only phobias you can transmit to other people. ” Newly-married architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It ’ s an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness. Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building. But the past is sometimes best left alone. Uncovering the folklore of the house ’ s strange history, Callie is drawn into darkness and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there ’ s someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House. But some doors should never be opened.

A Spancialosaphus Lacrimosae, or “ Spanky ” for short, he ’ s Martyn ’ s diabolically handsome alter ego, a tuxedoed charmer who ’ s willing to share his wild world of wine, women, and wealth . . . for a price. Under Spanky ’ s tutelage, Martyn gains confidence, career success, even a girlfriend. He ’ s living the good life. But like all demons, Spanky expects something in return. Imagine there was a classic supernatural chiller that Hammer Films never made. A grand epic produced at the studio ’ s peak, which played like a cross between the Dracula and Frankenstein films and Dr Terror ’ s House Of Horrors... Four passengers meet on a train journey through Eastern Europe during the First World War, and face a mystery that must be solved if they are to survive. As the Arkangel races through the war-torn countryside, they must find out: What is in the casket that everyone is so afraid of? What is the tragic secret of the veiled Red Countess who travels with them? Why is their fellow passenger the army brigadier so feared by his own men? And what exactly is the devilish secret of the Arkangel itself? Bizarre creatures, satanic rites, terrified passengers and the romance of travelling by train, all in a classically styled horror novel.

“ Traditional mystery buffs with a taste for the offbeat will relish British author Fowler’s wonderful second contemporary whodunit featuring the Peculiar Crimes Unit and its elderly odd couple, Arthur Bryant and John May. ” —Publishers Weekly (starred review)
How can an elderly recluse drown in a chair in her otherwise dry basement? That ’ s what John May and Arthur Bryant of London ’ s Peculiar Crimes Unit set out to discover in a city rife with shady real estate developers, racist threats, dodgy academicians, and someone dangerously obsessed with Egyptian mythology. Linking them all is an evil lurking in London ’ s vast and forgotten underground river system—a killer with the eerie ability to strike anywhere, anytime, without leaving a clue. It ’ s a subterranean case of secrets, lies, and multiple murder that defies not only the law, but reason itself. Can Bryant and May bring a killer to the surface and stop the dark tide of murder before it pulls them under, too? “ A clever twist on the traditional police procedural . . . The real thrill here is the delightful duo in the starring roles, two fresh and unusual characters who manage to breathe new life into an established genre in which it ’ s getting harder and harder to find anything genuinely fresh. ” —Booklist “ Humorous, engaging. ” —Kirkus Reviews

With a Foreword by Joanne Harris. June Cryer is a shopaholic suburban housewife trapped in a lousy marriage. After discovering her husband’s infidelity with the flight attendant next door, she loses her home, her husband and her credit rating. But there’s a solution: a friend needs a caretaker for a spectacular London high-rise apartment. It’s just for the weekend, and there’ll be money to spend in a city with every temptation on offer. Seizing the opportunity to escape, June moves in only to find that there’s no electricity and no phone. She must flat-sit until the security system comes back on. When a terrified girl breaks into the flat and June makes the mistake of asking the neighbours for help, she finds herself embroiled in an escalating nightmare, trying to prove that a murderer exists. For the next 24 hours she must survive on the streets without friends or money and solve an impossible crime.

In their clumsy efforts to understand, they ’ re caught up in an intense power struggle between the forces of good and a power-mad tyrant manipulating society ’ s most hopeless citizens. Rose and Robert have a part to play in a war that ’ s nearly invisible from the ground—and nothing less than world domination is at stake. “ It ’ s a strange thing, nyctophobia. You ’ re not born with it. It can start at any time. It comes and goes, and it ’ s one of the only phobias you can transmit to other people. ” Newly-married architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It ’ s an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness. Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building. But the past is sometimes best left alone. Uncovering the folklore of the house ’ s strange history, Callie is drawn into darkness and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there ’ s someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House. But some doors should never be opened.

Imagine there was a classic supernatural chiller that Hammer Films never made. A grand epic produced at the studio ’ s peak, which played like a cross between the Dracula and Frankenstein films and Dr Terror ’ s House Of Horrors... Four passengers meet on a train journey through Eastern Europe during the First World War, and face a mystery that must be solved if they are to survive. As the Arkangel races through the war-torn countryside, they must find out: What is in the casket that everyone is so afraid of? What is the tragic secret of the veiled Red Countess who travels with them? Why is their fellow passenger the army brigadier so feared by his own men? And what exactly is the devilish secret of the Arkangel itself? Bizarre creatures, satanic rites, terrified passengers and the romance of travelling by train, all in a classically styled horror novel.
