In the New York Times best-seller Darth Bane: Path of Destruction, Drew Karpysbyn painted a gripping portrait of a young man's journey from innocence to evil. That man was Darth Bane, a twisted genius whose iron will, fierce ambition, and strength in the dark side of the Force made him a natural leader among the Sith — until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order...and create it anew from the ashes.

Amidst the chaos of a dying world, a prophet foretold the awakening of a human who would bring an end to this evil. But the cataclysmic destruction of our planet forced a rebirth of humanity. The prophecy faded from the memory of our kind and went unfulfilled — until now! The Awakened: The physical dimension is fractured.

Returning to his home city of Bastul, Kael finds the Southern Territory of the Orudan Empire under invasion. As he races to unravel the secrecy of the enemy's identity, he becomes entangled in a brutal conspiracy to gain control of the government. After years of collaboration with the Resistance, Maeryn coordinates the covert exodus of the entire slave population of Bastul. Along their treacherous journey to the capital city of Orud, she is faced with the pressures of leadership as she attempts to protect her daughter and ensure the survival of her companions. Saba, held captive by a mysterious military force, escapes after years of solitary confinement. Propelled by an elusive memory, he chases after the hope of rediscovering his past and learns that everyone's future is in jeopardy. Finding himself in another world and thrust into the middle of a technologically advanced conflict, Adair struggles to make sense of his new environment and the soldiers who are protecting him. In book two of his bestselling series, Jason Tesar expands the epic saga that will journey from earth's mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense.

**\*\*This combined edition contains the first three novels of the Awakened series: Awaken His Eyes, Paths of Destruction, and Hands To Make War.\*\*** THE HISTORY: Over five thousand years ago, a renegade faction of angels abandoned the spiritual realm and began their inhabitation of earth. Worshiped as gods for their wisdom and power, they corrupted the realm of the physical and forever altered the course of history. THE PROPHECY: Amidst the chaos of a dying world, a lone voice foretold the awakening of a warrior who would bring an end to this evil perpetrated against all of creation. But with the cataclysmic destruction of earth and rebirth of humanity, the prophecy went unfulfilled and eventually faded from the memory of our kind—until now! THE AWAKENED: The physical dimension is fractured. What remain now are numerous fragmented worlds moving simultaneously through time, sharing a common history, connected only by a guarded portal. On a parallel earth, a child is rescued from prison and trained in the arts of war by a mystical order of clerics. When he returns to his home in search of his family, he becomes entangled in a brutal conspiracy to gain control of the Empire. Racing to unravel the secrecy of the enemy's identity and motive, he is haunted by the memories of his past and drawn by the destiny that awaits him. In the first trilogy of his bestselling debut series, Jason Tesar launches an epic saga that will journey from earth's mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense.

The All Powerful is dead, but the scars of his influence remain, haunting Kael's memories and discoloring his outlook. Seeking closure, Kael retraces the steps of his past. When he discovers that his father may still be alive, the course of his life once again takes an unexpected turn. Determined to answer the most profound questions of his childhood, Kael ventures across the fractured physical dimension. What awaits him is an advanced civilization of private armies and foreign weaponry, and only one path leads to his goal. Entering a covert war of intelligence and paramilitary operations, Kael must adapt to this new world and confront the possibility that his own destiny is just beginning. The seeds of corruption have taken root, but the Awakened has come. In book four of the bestselling Awakened series, Jason Tesar's epic saga weaves through the jungles of South America to the industrial cityscapes of Scandinavia, taking readers on an action-packed journey that fuses the genres of sci-fantasy and military fiction.

The physical dimension is fractured. What remain are numerous fragmented worlds moving simultaneously through time, sharing a common history, connected only by a guarded portal. On a parallel earth, in the city of Bastul, Colonel Adair Lorus disappears while investigating the death of an informant, triggering a series of events which will tear his family apart and set in motion the resolution of an ancient struggle. Kael, sentenced to death after rising up against the cruel leadership of his new step-father, is rescued from prison and trained in the arts of war by a mystical order of clerics. Excelling in every aspect of his training, Kael inwardly struggles to give himself fully to the methods of his new family, or the god they worship. Maeryn, bitter over the disappearance of her husband and supposed execution of her son, fears for her life at the hands of her newly appointed husband. Finding comfort and purpose in her unborn child, she determines to undermine his authority by reaching out to an underground social movement known as the Resistance. After being forced from his home, Kael's former mentor, Saba, uncovers a clue to Adair's disappearance. Sensing a connection to his own forgotten past, Saba begins an investigation which leads to the discovery of a secret military organization operating within the Orudan Empire. In book one of his bestselling debut series, Jason Tesar launches an epic saga that will journey from earth's mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense.

A powerful adversary is surfacing and Null's covert battle is on the threshold of open war. Reunited with his father after twenty-two years, Kael must find the balance between protecting him and confronting the enemy who stands between them and their home world. The timelessness of the In-Between has stolen the years that separated Kael and Adair by age, leaving them as distant equals. Having glimpsed Kael's destiny from the Eternal Realm, Adair struggles to find his role in the life of a son who no longer needs him. Through a global maze of counterintelligence and espionage, a multinational team of operatives has to survive long enough to turn the tide of war. And a father and son will discover how to rebuild what was taken from their lives. In book five of the bestselling Awakened series, Jason Tesar's epic saga escapes the islands of Scandinavia for the dark forests and rugged mountains of Russia in a tense conflict of subterfuge that blurs the boundaries between sci-fantasy and military fiction.

At 5:02 A.M. on August 29, 2005, Power Went Out in the Superdome. Not long after, wind ripped giant white rubber sheets off the roof and sent huge shards of debris flying toward Uptown. Rivulets of rainwater began finding their way down through the ceiling, dripping and pouring into the stands, the mezzanine, and the football field. Without ventilation, the air began to get gamy with the smell of sweat and garbage. The bathrooms stopped working. Many people slept; others waited, mostly in silence.
