Proqa User Guide Priority Dispatch

Priority Dispatch Corp. (PDC) is the licensed distributor of the world ' s leading emergency dispatch technology. The company ' s flagship product—the calltaking software ProQA—is currently used by more than 1,600 agencies worldwide, and emergency dispatchers employ Priority Dispatch System (PDS) to process approximately 70 million emergency calls annually.

ProQA Paramount - Priority Dispatch Corp.

It helps emergency dispatchers move smoothly through Case Entry and Key Questioning. It assists dispatchers in quickly identifying the appropriate Determinant Code for each case and clearly displays the response configuration specifically assigned to the code by local agency authorities. ProQA then guides dispatchers in providing all relevant Post-Dispatch and Pre-Arrival Instructions, as well as important case completion information.
