Sneezzy The Snowman

Sneezzy the Snowman is cold, cold, cold. To warm up, he drinks cocoa, sits in a hot tub, stands near a warm fire - and melts! But the children know just what to do to build him up again - and make him feel "just right".

This is a great story and my 7 year old regularly chooses it as one of his bedtime stories. There is some great repeated text in it which the children like to join in with. I also read it to the children I childmind and we have done lots of "Sneezzy" craft activities off the back of it.

---

Sneezzy the Snowman - YouTube

One features Sneezzy, another shows children building the snowman, and the 3rd is a full-bodied snowman, where the wheel is the big "snowball" base. The snowman's "head" is easily trimmed and glued to the top. Choose your favorite, or give students a choice. Obviously the "head topper" takes a bit longer, but is my personal favorite.

Children's Book Review: Sneezzy the Snowman by Maureen ...

A cute story, but at times the illustrations of Sneezzy made him look a little creepy. Like the famous Olaf from Frozen, Sneezzy keeps trying to get warm and melting. The children follow him around and don't seem to think anything of it, they just keep re-building him and giving him their winter clothes.
