The deadliest ride-or-die chicks in Memphis have a new rival. But when all's said and done, only one gang can reign supreme... The streets of the Dirty South have never been meaner as the ruthless women of warring hoods are just a few body bags away from total domination. Determined to rain bullets on Shotgun Row, lieutenant Lucifer teams up with Profit, head gangsta of the Vice Lords and a man bent on revenge. Good girl gone bad Ta'shara sets her sights on knocking her evil sister off the throne—but she's unprepared for what's ahead. Qiana's deal with the devil to take ambitious Yolanda out of the picture plants her at the center of a manhunt that will jeopardize her own position. And as Queen G LeShelle's list of enemies multiplies, the final knockout may come from the last person she expects. While the war zone expands, these gangsta divas take no prisoners for the chance to rule it all...

In the first book of a fierce new series, meet Memphis's hardest ride-or-die chicks as they fight along with their infamous men to lock down the Dirty South. Memphis is the crime capital of America, and no one knows that better than the women born and raised on its mean streets. It's put sisters Ta'Shara and LeShelle on opposite sides of the street game, where blood means nothing and loyalty doesn't last long. It's also got Yolanda, an ambitious drug mule, and Melanie, a police detective, caught up with the same man--the notorious hustler Python. These four women think they've got the game figured out, but the one man they have in common will have them living double lives and wondering who will come out on top. Forget what you heard about East Coast/West Coast, 'cause real vendettas are born in the Dirty South. Vice Lord chief Lucifer goes after the upstart Crippettes gang one by one--but locking down her power will put everything she lives to protect at risk. Ta'Shara straps on her training wheels to prove she can ride with the best of the Flowers--but does this good-girl-gone-bad really have what it takes to survive? And as police captain Hydeya Hawkins closes in on gangland's elite, she'll fight to survive her department's dirtiest secrets. But the two have barely shared the news with their team of street rebels and digital revolutionaries when a disturbing disappearance throws everything off course. Now Abrianna must decide if she will put aside her plans in order to save the woman who nearly cost her everything. With the government one step behind, the mission to rescue Tomi goes off the rails. Another team has been there first, one with more

firepower than even the US Government. With more players on the scene and no idea who to trust, Abrianna, Kadir, and the rest of the team are flying blind—and all of their special skills combined might not be enough to protect them from the fallout. With enemies all around and nowhere to turn, the only way out may be to burn it all down. Praise for Collusion “Diamond writes a novel full of despair, violence, dirty politics and illegal human experimentation. This first story in the Parker Crime series believably takes readers from seedy streets to strip clubs and all the way to the White House with aplomb. Excitement abounds for the next book in the series!” —RT Book Reviews
