But through Ahmad's three grandsons we see modern how Egypt takes shape. Master storyteller Naguib Mahfouz crowns his best-selling Cairo Trilogy with this final chronicle of the Abdal-Jawad clan, climaxing the story begun in Palace Walk and continued in Palace Of Desire.

Naguib Mahfouz ' s magnificent epic trilogy of colonial Egypt appears here in one volume for the first time. The Nobel Prize—winning writer ' s masterwork is the engrossing story of a Muslim family in Cairo during Britain ' s occupation of Egypt in the early decades of the twentieth century. The novels of The Cairo Trilogy trace three generations of the family of tyrannical patriarch Al-Sayyid Ahmad Abd al-Jawad, who rules his household with a strict hand while living a secret life of self-indulgence. Palace Walk introduces us to his gentle, oppressed wife, Amina, his cloistered daughters, Aisha and Khadija, and his three sons—the tragic and idealistic Fahmy, the dissolute hedonist Yasin, and the soul-searching intellectual Kamal. Al-Sayyid Ahmad ' s rebellious children struggle to move beyond his domination in Palace of Desire, as the world around them opens to the currents of modernity and political and domestic turmoil brought by the 1920s. Sugar Street brings Mahfouz ' s vivid tapestry of an evolving Egypt to a dramatic climax as the aging patriarch sees one grandson become a Communist, one a Muslim fundamentalist, and one the lover of a powerful politician. Throughout the trilogy, the family ' s trials mirror those of their turbulent country during the years spanning the two World Wars, as change comes to a society that has resisted it for centuries. Filled with compelling drama, earthy humor, and remarkable insight, The Cairo Trilogy is the achievement of a master storyteller.

Widely acclaimed as Naguib Mahfouz's best novel, Midaq Alley brings to life one of the hustling, teeming back alleys of Cairo in the 1940s. From Zaita the cripple-maker to Kirsha the hedonistic cafe owner, from Abbas the barber who mistakes greed for love to Hamida who sells her soul to escape the alley, from waiters and widows to politicians, pimps, and poets, the inhabitants of Midaq Alley vividly evoke Egypt's largest city as it teeters on the brink of change. Never has Nobel Prize-winner Mahfouz's talent for rich and luxurious storytelling been more evident than here, in his portrait of one small street as a microcosm of the world on the threshold of modernity.

The second volume of the highly acclaimed Cairo Trilogy from the winner of the Nobel Prize for Literature. Filled with compelling drama, earthy humor, and remarkable insight, Palace Of Desire is the unforgettable story of the violent clash between ideals and realities, dreams and desires.

The first book of the Cairo Trilogy recreates turn-of-the-century Cairo, with characters who are simultaneously disciplined and sensual

Winner of the Nobel Prize for Literature in 1988, Naguib Mahfouz is perhaps the best-known living Arab writer. His books have had great success in this country, particularly The Cairo Trilogy. Fans of the famed trilogy will be delighted with The Harafish, an epic novel that chronicles the dramatic history of the al-Nagi family -- a family that moves, over many generations, from the height of power and glory to the depths of decadence and decay. The Harafish begins with the tale of Ashur al-Nagi, a man who grows from humble beginnings to become a great leader, a legend among his people. Generation after generation, however, Ashur's descendants grow further from his legendary example. They lose touch with their origins as they amass and then squander large fortunes, marry prostitutes when they marry at all, and develop rivalries that end in death. The community's upper class keeps a watchful eye on the descendants of al-Nagi for fear of losing their privileges, but they find no threat of another such as Ashur. Not, that is, until the al-Nagi who, like his noble ancestor, finds his power once again from among The Harafish, or the common people. Through the strength of their numbers and their passion, the glory of the name of al-Nagi is restored. "Of all [Mahfouz's] experiments in recent decades, this is the one which owes least to western inspiration and is probably the most successful. The Harafish, fluently translated by Catherine Cobham, makes accessible and engrossing reading." -- The Washington Post Book World.

First published in 1966, Naguib Mahfouz ' s Adrift on the Nile is an atmospheric novel that dramatizes the rootlessness of Egypt ' s cosmopolitan middle class. Anis Zani is a bored and drug-addicted civil servant who is barely holding on to his job. Every evening he hosts a gathering on a houseboat on the Nile, where he and a motley group of cynical and aimless friends share a water pipe full of kif, a mixture of tobacco and marijuana. When a young female journalist—an “ alarmingly serious person ” —joins them and begins secretly documenting their activities, the group ' s harmony starts disintegrating, culminating in a midnight joyride that ends in tragedy.

From the Nobel Prize laureate and author of the acclaimed Cairo Trilogy, a beguiling and artfully compact novel set in Sadat's Egypt. The time is 1981, Anwar al-Sadat is president, and Egypt is lurching into the modern world. Set against this backdrop, The Day the Leader Was Killed relates the tale of a middle-class Cairene family. Rich with irony and infused with political undertones, the story is narrated alternately by the pious and mischievous family patriarch Muhtashimi Zayed, his hapless grandson Elwan, and Elwan's headstrong and beautiful fiancée Randa. The novel reaches its climax with the assassination of Sadat on October 6, 1981, an event around which the fictional plot is skillfully woven. The Day the Leader Was Killed brings us the essence of Mahfouz's genius and is further proof that he has, in the words of the Nobel citation, "formed an Arabic narrative art that applies to all mankind."
