The Book of Drugs: A Memoir: Amazon.co.uk: Doughty, Mike ...

The Book of Drugs is not your average "rock n' roll/drug" biography. There's very little glamour in this book - no descriptions of wild backstage parties and hookups with groupies. Rather, it's the raw and honest story a young man (with questionable self-esteem) bullied by bandmates and who increasingly used narcotics to nullify the effects of their negativity.

The Book of Drugs: A Memoir by Mike Doughty

The Book of Drugs is a 2012 memoir by the musician and songwriter Mike Doughty. The book details Doughty's struggles with drug addiction, his musical career, both before and during his time with the band Soul Coughing and during his solo career.

The Book of Drugs - Wikipedia

The Book of Drugs by Mike Doughty | Waterstones

"The Book of Drugs" is Doughty's memoir of his time before and during Soul Coughing, a band that grew out of New York City's avant-garde, exploded in the way that only alt and indie bands can, and then imploded around 2000. And it reads like a nightmare. Literally.

Often called the Orange Book, this is guidance for clinicians treating people with drug problems. This 2017 version offers new guidelines on: prison-based treatment

Drug misuse and dependence: UK guidelines on clinical ...

Mike Doughty first came to prominence as the leader of the band Soul Coughing then did an abrupt sonic left turn, much to the surprise of his audience, transforming into a solo performer of stark, dusky, but strangely hopeful tunes. He battled addiction, gave up fame when his old band was at the hei...

The Book of Drugs on Apple Books

The book shows how this verbal ambivalence encapsulates the ambiguity of man's use of chemically-active substances over the centuries to diminish pain, fight disease, and correct behaviour. It shows that the major substances so used, from

herbs of the field to laboratory-produced synthetic medicines, have a healing potential, and have been widely employed both within and outside the medical profession.

Drugs and Narcotics in History - Google Books

Infinite Jest is such a monster of a book, the pages devoted to inebriants of every flavor — and the people who love them — constitute a spectacularly weird and deep drug book of their own.

20 Of The Junkiest Books About Drugs You'll Ever Read

Drug use, use of drugs for psychotropic rather than medical purposes. Among the most common psychotropic drugs are opiates (opium, morphine, and heroin), hallucinogens (LSD, mescaline, and psilocybin), barbiturates, cocaine, amphetamines, tranquilizers, and cannabis. Alcohol and tobacco are also sometimes classified as drugs. The term drug abuse is normally applied to excessive and addictive ...

drug use | Recreational Drug Use, Drug Abuse ...

On Taking Drugs - Articles from The School of Life, formally The Book of Life, a gathering of the best ideas around wisdom and emotional intelligence. It's easy to have a pretty negative view of drugs: the news is always going on about police raids on drug dealers, kids tripping dangerously at raves, overdoses and rehab.
