~~The Covenant - Naomi Ragen -~~

The Covenant is one of those rare books that you can't put down and don't want to end. Naomi Ragen does a wonderful job of linking the tragedy suffered by the Jewish people (focusing on women survivors) during WWII and the terrorist attacks suffered by the Jewish people in the State of Israel today.

Living in Jerusalem, Elise Margulies fears for the lives of her husband and daughter every day. Then comes the day when her worst fears come true. Cancer specialist Dr. Jonathan Margulies drives his young daughter home from her ballet recital. His bullet-ridden car is found empty on the side of the road hours later. Elise, in the last stages of a difficult pregnancy, desperately calls her grandmother Leah in America for help and unknowingly revives a decades-old oath. Over five terror and hope-filled days during which ordinary people join the front lines against terrorism, the ties that bind two generations form a powerful alliance against contemporary evil.

When her husband and daughter disappear from their violent Jerusalem community, a pregnant Elise Margulies desperately calls her grandmother in America for help and finds herself at the front lines against terrorism.

Beautiful, fragile Dina Reich, a young woman in Jerusalem's ultra-Orthodox haredi enclave, stands accused of the community's most unforgivable sin: adultery. Raised with her sisters to be an obedient daughter and a dutiful wife, Dina secretly yearned for the knowledge, romance, and excitement that she knew her circumscribed life would never satisfy. When her first romance is tragically thwarted, she willingly enters into an arranged marriage with a loving but painfully quiet man. Dina's deeply repressed passions become impossible to ignore, finding a dangerous outlet in a sudden and intense obsession with a married man, with terrible consequences. Exiled to New York City, Dina meets Joan, a modern secular woman who challenges all she knows of the world and herself. Set against the exotic backdrop of Jerusalem's glistening white stones and ancient rituals, Sotah is a contemporary story of the struggle to reconcile tradition with freedom, and faith with love.

Naomi Ragen's first play, which premiered in July 2002 at Habima National Theater in Tel Aviv. It is based on a true story: a Haredi (ultra-Orthodox) woman, wife of a rabbi, mother of 12, leaves her home and stays with a friend. The community's "modesty squad" tries in vain to force her to go back. Her friend is physically attacked, her arm and leg broken. The rabbi's wife is punished: she is cut off from her children, against her will.

The pampered daughter of a wealthy Hasidic businessman, Batsheva Ha-Levi grows up in the affluent suburbs of Los Angeles. But everything changes when she turns eighteen and finds that her loving father has made a secret vow which will shatter her life, forcing her to marry a man she hardly knows and sending her to the exotic, golden city of Jerusalem. On her wedding day, she enters a strange and foreign world steeped in tradition and surrounded by myth. Shackled by ancient rules, she soon understands that to survive she will have no choice but to fight for her freedom, to reconcile her own need to live in the modern world with her ancestral obligations, and to choose between the three men who vie for her body, her soul, and her love. Now a classic listed among the one hundred most important Jewish books of all time*, Jephthe's Daughter is bestselling author Naomi Ragen's beloved first novel. With poignancy and insight, it takes readers on a groundbreaking and unforgettable journey inside the hidden world of women in the ultra-Orthodox Jewish community. *100 Essential Books For Jewish Readers, Rabbi Daniel B. Sync and Lindy Frenkel Kanter

Tamar Finegold is twenty-one years old, the happy, beautiful bride of a rising young Rabbi in one of Brooklyn's insulated, ultra-Orthodox Jewish communities. Having married the man of her dreams and taken her place as a wife—and hopefully soon-to-be mother—in her community, Tamar feels as though the world is at her feet. But her secure, predictable existence is brought to an abrupt end when she is raped by an intruder. Fearing the unbearable stigma and threat to her marriage that could result from telling the truth, Tamar makes a fateful decision that changes her life forever. Her feeling that she did the only thing she could under the circumstances explodes when years later a shocking, undreamed of turn of events finally forces her to confront her past, once and for all

The ghost of a real-life historical figure helps elderly Catherine da Costa convince her granddaughters to travel across Europe with her and helps them find a link between past and present by leaving mysterious journal entries along their travel route. Reprint. 25,000 first printing.

Beautiful, materialistic Delilah Levy, married to a young rabbi, finds her life beginning to unravel because of the incessant demands of her husband's congregation, her faith, and her life, and the temptations of the modern world. By the author of *The Covenant*. Reprint. 75,000 first printing.

An Unorthodox Match is a powerful and moving novel of faith, love, and acceptance, from author Naomi Ragen, the international bestselling author of *The Devil in Jerusalem*. California girl Lola has her life all set up: business degree, handsome fiancé, fast track career, when suddenly, without warning, everything tragically implodes. After years fruitlessly searching for love, marriage, and children, she decides to take the radical step of seeking spirituality and meaning far outside the parameters of modern life in the insular, ultraorthodox enclave of Boro Park, Brooklyn. There, fate brings her to the dysfunctional home of newly-widowed Jacob, a devout Torah scholar, whose life is also in turmoil, and whose small children are aching for the kindness of a womanly touch. While her mother direly predicts she is ruining her life, enslaving herself to a community that is a misogynistic religious cult, Lola's heart tells her something far more complicated. But it is the shocking and unexpected messages of her new community itself which will finally force her into a deeper understanding of the real choices she now faces and which will ultimately decide her fate.

In this rich and compassionate novel, *An Observant Wife*, Naomi Ragen continues the love story between newly observant California-girl Leah and ultra-Orthodox widower Yaakov from *An Unorthodox Match*. From the joy of their wedding day surrounded by supportive friends and family, Yaakov and Leah are soon plunged into the complex reality of their new lives together as Yaakov leaves his beloved yeshiva to work in the city, and Leah confronts the often agonizing restrictions imposed by religious laws governing even the most intimate moments of their married lives. Adding to their difficulties is the hostility of some in the community who continue to view Leah as a dangerous interloper, questioning her sincerity and adherence to religious laws and spreading outrageous rumors. In the midst of their heartfelt attempts to reach a balance between their human needs and their spiritual obligations, the discovery of a secret, forbidden relationship between troubled teenage daughter Shaindele and a local boy precipitates a maelstrom of life-changing consequences for all.
