“With The Future of the Past, architect Steven W. Semes has planted his foot hard in the tense area between architectural innovation and historic preservation...[R]aises questions that everyone involved in historic preservation needs to think about. Semes thus deserves credit for tackling a complex issue that is playing out in myriad ways all over the world.”

### The Future of the Past: A Conservation Ethic for ...

Future in the past is used to express the idea that in the past you thought something would happen in the future. It does not matter if you are correct or not. Future in the past follows the same basic rules as the simple future. "Would" is used to volunteer or promise, and "was going to" is used to plan. Moreover, both forms can be used to make predictions about the future.
