In The Islamisr Phoenix, world-renowned terrorism expert Loretta Napoleoni takes us beyond the headlines, demonstrating that while Western media portrays the Islamic State as little more than a gang of thugs on a winning streak, the organization is proposing a new model for nation building. Waging a traditional war of conquest to carve out the 21st-century version of the original Caliphate, IS uses modern technology to recruit and fundraise while engaging the local population in the day-to ...
