LONGLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION 'A quietly profound, humane tour de force' Guardian The beloved debut novel that will restore your faith in humanity #SmallAngryPlanet When Rosemary Harper joins the crew of the Wayfarer, she isn't expecting much. The ship, which has seen better days, offers her everything she could possibly want: a small, quiet spot to call home for a while, adventure in far-off corners of the galaxy, and distance from her troubled past. But Rosemary gets more than she bargained for with the Wayfarer. The crew is a mishmash of species and personalities, from Sissix, the friendly reptillian pilot, to Kizzy and Jenks, the constantly sparring engineers who keep the ship running. Life on board is chaotic, but

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

more or less peaceful - exactly what Rosemary wants. Until the crew are offered the job of a lifetime: the chance to build a hyperspace tunnel to a distant planet. They'll earn enough money to live comfortably for years... if they survive the long trip through war-torn interstellar space without endangering any of the fragile alliances that keep the galaxy peaceful. But Rosemary isn't the only person on board with secrets to hide, and the crew will soon discover that space may be vast, but spaceships are very small indeed. PRAISE FOR THE WAYFARERS 'Never less than deeply involving' DAILY MAIL 'Explores the quieter side of sci-fi while still wowing us with daring leaps of imagination' iBOOKS 'So much fun to read' HEAT 'Chambers is simply an exceptional talent, quietly and beautifully redefining the space opera' TOR.COM 'The most fun that I've had with a novel in a long, long time' iO9

The acclaimed modern science fiction masterpiece, Hugo Award winner for Best Series! Also included on Library Journal's Best SFF of 2016, the Barnes & Nobles Sci-Fi Fantasy Blog Best Books of 2015, the Tor.com Best Books of 2015, Reader's Choice, as well as nominated for the Arthur C. Clarke Award, the Kitschie, and the Bailey's Women's Prize. Follow a motley crew on an exciting journey through space—and one adventurous young explorer who discovers the meaning of family in

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

the far reaches of the universe—in this light-hearted debut space opera from a rising sci-fi star. Rosemary Harper doesn't expect much when she joins the crew of the aging Wayfarer. While the patched-up ship has seen better days, it offers her a bed, a chance to explore the far-off corners of the galaxy, and most importantly, some distance from her past. An introspective young woman who learned early to keep to herself, she's never met anyone remotely like the ship's diverse crew, including Sissix, the exotic reptilian pilot, chatty engineers Kizzy and Jenks who keep the ship running, and Ashby, their noble captain. Life aboard the Wayfarer is chaotic and crazy—exactly what Rosemary wants. It's also about to get extremely dangerous when the crew is offered the job of a lifetime. Tunneling wormholes through space to a distant planet is definitely lucrative and will keep them comfortable for years. But risking her life wasn't part of the plan. In the far reaches of deep space, the tiny Wayfarer crew will confront a host of unexpected mishaps and thrilling adventures that force them to depend on each other. To survive, Rosemary's got to learn how to rely on this assortment of oddballs—an experience that teaches her about love and trust, and that having a family isn't necessarily the worst thing in the universe.

In the first reading experience of its kind, blast off on a journey through twenty-six feet of continuous vertical art, which reads beautifully no matter which cover you start from. Begin at one end, and you're on the ocean floor; follow a creature along a bright yellow trail up into deep space to his alien family's embrace. Or, start from the other end and follow an alien floating down into the depths of the ocean to rest. Whether journeying home or heading to bed, enjoy a satisfying and surprising trip from rising star Frank Viva.

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway,

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

A Pulitzer Prize-winning author of A Strong West Wind traces her close friendship with the late fellow writer Caroline Knapp, describing their shared experiences with sobriety, a love of dogs and Caroline's battle with cancer. Reprint.

'A highly readable and spiritually uplifting book about a dream come true' Wanderlust 'Touching and memorable ... one for armchair travellers and bike freaks' Daily Mail From London to New York, Ewan and Charley chased their shadows through Europe, the Ukraine, Kazakhstan, Mongolia and Russia, across the Pacific to Alaska, then down through Canada and America. But as the miles slipped beneath the tyres of their big BMWs, their troubles started. Exhaustion, injury

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

and accidents tested their strength. Treacherous roads, unpredictable weather and turbulent politics challenged their stamina. They were chased by paparazzi in Kazakhstan, courted by men with very large guns in the Ukraine, hassled by the police, and given bulls' testicles for supper by Mongolian nomads. And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months, changing their lives forever in the process. As they travelled they documented their trip, taking photographs, and writing diaries by the campfire. Long Way Round is the result of their adventures - a fascinating, frank and highly entertaining travel book about two friends riding round the world together and, against all the odds, realising their dream.

A boy recounts his annual summer trips to rural Illinois with his sister during the Great Depression to visit their larger-than-life grandmother.

“A searing and emotionally gripping account of a young black girl growing up to become a strong black woman during the most difficult time of racial segregation.”—Professor Charles Ogletree, Harvard Law School “Provides important context for an important moment in America’s history.”—Associated Press When fourteen-year-old Carlotta

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the “Little Rock Nine,” as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

Praised as a “master storyteller” (The Wall Street Journal) and hailed for his “flawless use of language” (Boston Herald), Irish author and playwright Sebastian Barry has created a powerful new novel about divided loyalties and the realities of war. Sebastian Barry's latest novel, *Days Without End*, is now available. In 1914, Willie Dunne,

File Type PDF The Long Way To A Small Angry Planet Becky Chambers

barely eighteen years old, leaves behind Dublin, his family, and the girl he plans to marry in order to enlist in the Allied forces and face the Germans on the Western Front. Once there, he encounters a horror of violence and gore he could not have imagined and sustains his spirit with only the words on the pages from home and the camaraderie of the mud-covered Irish boys who fight and die by his side. Dimly aware of the political tensions that have grown in Ireland in his absence, Willie returns on leave to find a world split and ravaged by forces closer to home. Despite the comfort he finds with his family, he knows he must rejoin his regiment and fight until the end. With grace and power, Sebastian Barry vividly renders Willie's personal struggle as well as the overwhelming consequences of war.
