This book is all about the visuals--contemporary artists using mapping as a starting point for their work. Whether city or landscape, body or mind, real or invented, interior or exterior, photographic or abstracted, "maps are always subjective representations of the world." A multitude of approaches, with some wonderful and unexpected results.

Given the experimental nature of contemporary art, cartography may not seem like the most avant-garde practice. However, many of today's top creatives are transforming the ancient art of mapmaking into a mesmerizing modern art form. Here, we explore several pieces that illustrate this innovative approach to maps.

Modern Maps and Map Art That Put a Creative Spin on ...

Contemporary cartography is as influential (for better or worse) as ever, and inventive design is still paramount to its success. And in contemporary art, an ever-building wave of cartographic work is openly reclaiming the beauty and the bias that makes mapping so compelling. Modern artists have exploited the potential of maps for decades.
