That's the first sentence of Rob Davis ' s The Motherless Oven. Many who have risked reading the book and posted disturbed or embarrassed reviews on social media might not have considered the full spectrum such a motto might entail.

~~The Motherless Oven~~

But in the case of Rob Davis ' s The Motherless Oven, out now from SelfMadeHero, they very much ring true. Where else can you find a story in which parents are reduced to either functional or function-less objects, knives fall from the sky and pupils get taught classes like ' circular history ' and ' mythematics ' .

~~A Different Kind of Disturbia — Rob Davis on The ...~~

Rob Davis: The Motherless Oven is the story of Scarper Lee, a teenager who knows he has just three weeks left to live, this is because in Scarper ' s world everyone knows their Death Day. We follow Scarper through his last days alive and discover more about his upsidedown world, where it rains knives, where parents are made by children and can take any form, from abstract beasts to walking hairdryers, and where the streets are policed by pensioners in jalopies.
