opponents and guess their next moves. But when the faerie Madame Giselle sends Hunter to the present day, he stumbles into a staged battle and rescues a young knight--only to discover that the knight is a woman, and she's anything but a damsel in distress. Meghan McGladrey learned martial arts and sword fighting from her father, a time-traveling Highlander himself. To Hunter's surprise, Meghan is as skilled as any knight. When both of them are pulled back to the fifteenth century, Meghan becomes desperate to return to her time. Hunter, who is pledged to another, begins to fall for the beautiful, brave warrior as they fight side by side against a common enemy. Now, he must decide which matters more: his honor or following his heart. Exciting battles and intoxicating passion reunite in the third Novel of Loch

original dimensions." Ralph Waldo Emerson This kids book is a collection of 300 brain teasing riddles and puzzles. Their purpose is to make children think and stretch their minds. They are designed to test logic, lateral thinking as well as memory and to engage the brain in seeing patterns and connections between different things and circumstances. They are laid out in three chapters which get more difficult as you go through the book, in the author's opinion at least. The answers are at the back of the book if all else fails. These are more difficult riddles for kids and are designed to be attempted by children from 10 years onwards, as well as participation from the rest of the family. It is a perfect activity book for kids who like problem solving. These activities can be shared with the whole family. This book is one of a series
