Twisted (Petra Connor, #2) by Jonathan Kellerman

A Petra Connor book by Jonathan Kellerman. Kellerman skillfully weaves together at least three threads of stories into one overall picture of the life of Petra Connor, one of LAPD's female detectives. Reluctantly assigned a 22-year-old boy genius as an intern doing research for his doctoral thesis, he spots a pattern no one has noticed before.

But author Jonathan Kellerman determined that it wasn't impossible, and actually took the unique opportunity to fuse two series together in a way that allowed a spin-off series (Petra Connor) to evolve from Kellerman's otherwise famous Alex Delaware books. Petra made her first appearance in the Alex Delaware book Survival of the Fittest in 1997.

Hollywood homicide detective Petra Connor has helped psychologist Alex Delaware crack tough cases in the past. And in Jonathan Kellerman's New York Times best seller Billy Straight, she took the lead in the desperate hunt for a teenage runaway stalked by a vengeful murderer. Now the complex and wryly compassionate Petra is once again at the center of the action, in a novel of cunning twists and page-turning suspense.

When a brutal murder is scheduled for June 28th, detective Petra Connor must find the serial killer who, so far, has evaded the police.

Bookmark File PDF Twisted Petra Connor 2 Jonathan Kellerman

When twelve-year-old Billy Straight, a runaway struggling to survive L.A.'s most dangerous streets, becomes the sole eyewitness to a brutal murder, he becomes the target of the media, bounty hunters, and a killer, as L.A.P.D. homicide detective Petra Connor races against time to save his life.

In Jonathan Kellerman's gripping novels, the city of Los Angeles is as much a living, breathing character as the heroes and villains who roam its labyrinthine streets. Sunny on the surface but shadowy beneath, this world of privilege and pleasure has a dark core and a dangerous edge. In *True Detectives*, Kellerman skillfully brings his renowned gifts for breathless suspense and sharp psychological insight to a tale that resonates on every level and satisfies at every turn. Bound by blood but divided by troubles as old as Cain and Abel, Moses Reed and Aaron Fox were first introduced in Kellerman's bestselling *Bones*. They are sons of the same strong-willed mother, and their respective fathers were cops, partners, and friends. Their turbulent family history has set them at odds, despite their shared calling. Moses—part Boy Scout, part bulldog, man of few words—is a no-frills LAPD detective. Aaron, sharp dresser and smooth operator, is an ex-cop turned high-end private eye. Usually they go their separate ways. But the disappearance of Caitlin Frostig isn't usual. For Moses, it's an ice-cold mystery he just can't outrun, even with the help of psychologist Alex Delaware and detective Milo Sturgis. For Aaron, it's a billable-hours bonanza from his most lucrative client. Like it or not, Moses and Aaron are in this one together—and the rivalry that rules them won't let either man quit till the case is cracked. A straight-arrow, straight-A student from Malibu, Caitlin has only two men in her life: her sullen single father and her wholesome college sweetheart, who even the battling brothers agree seems too downright upright to be true.

Bookmark File PDF Twisted Petra Connor 2 Jonathan Kellerman

Reluctantly tag-teaming in a desperate search for fresh leads, Moses and Aaron zero in on Caitlin's white knight as their primary "person of interest," hoping that, like most people in L.A., he has a secret side. But they uncover more than just a secret as they descend into the sinister, seamy side of the City of Angels after dark, populated by a Hollywood Babylon cast of the glamorous and the damned: a millionaire movie director turned hatemongering eccentric; a desperate Beverly Hills housewife looking for an exit from the fast lane; a heartthrob actor being eaten alive by personal demons; a hooker who's probably seen it all . . . and might just know too much. And at the center, a dead young woman whose downward spiral and brutal end loom over Moses and Aaron like an omen of what may come to be if the dark end of the street claims another lost soul.

NEW YORK TIMES BESTSELLER With her energies focused on a baffling, vicious gang slaying and her personal life in shambles, Hollywood homicide detective Petra Connor has a full plate. The last thing she needs is a whiz-kid grad student claiming to have stumbled upon a bizarre connection between several unsolved murders. "An elaborate, tangled web . . . With unsuspected turns at every chapter break . . . this addictive tale . . . is as intricately detailed as it is tantalizingly page-turning."—Entertainment Weekly The victims had nothing in common, yet each died by the same method, on the same date—a date that's rapidly approaching again. And that leaves Petra with little time to unravel the twisted logic of a cunning predator who's evaded detection for years—and whose terrible hour is once more at hand. **BONUS:** This edition includes an excerpt from Jonathan Kellerman's *Guilt*.

LAPD homicide detective tries to stop a vicious psychopath

who's made cold-blood murder his chosen art form.

#1 WASHINGTON POST BESTSELLER • “Jonathan Kellerman’s novels are an obsession; once started it is hard to quit.”—Orlando Sentinel Tanya Bigelow was a solemn little girl when Dr. Alex Delaware successfully treated her obsessive-compulsive symptoms. Now, at nineteen, Tanya returns with a curious request: that Delaware investigate her aunt’s deathbed confession of murder. While Delaware doubts that Patty Bigelow was capable of such a horrific act, he agrees to look into the matter. Armed with only the vaguest details, Delaware and LAPD detective Milo Sturgis retrace Patty’s and Tanya’s nomadic and increasingly puzzling life. Then a very real murder tears open a terrifying tunnel into the past, where secrets—and bodies—are buried. As the tension mounts, Delaware and Sturgis uncover a tangled history of desperation, vengeance, and death—a legacy of evil that refuses to die. Praise for *Obsession* “The characters are rich, the story’s well-plotted and you won’t stop reading.”—Boston Herald “Filled with Kellerman’s psychological insight and action-packed drama.”—Toronto Sun

For the first time ever, bestselling novelists Jonathan and Faye Kellerman team up to deliver the launch book in a thrilling new series of short crime novels. This book--printed as a reversible volume with two different covers--contains two stories featuring different detectives solving crimes in different cities.

Devastated and suspected by the police after the brutal murder of his girlfriend, hospital psychologist Jeremy Carrier finds himself unwittingly engaged in a game of cat and mouse when additional murders take place and clues begin

appearing in his mail. 400,000 first printing.

Winner of the Commonwealth Prize New York Times Book Review—Notable Fiction 2002 Entertainment Weekly—Best Fiction of 2002 Los Angeles Times Book Review—Best of the Best 2002 Washington Post Book World—Raves 2002 Chicago Tribune—Favorite Books of 2002 Christian Science Monitor—Best Books 2002 Publishers Weekly—Best Books of 2002 The Cleveland Plain Dealer—Year’s Best Books Minneapolis Star Tribune—Standout Books of 2002 Once upon a time, when the earth was still young, before the fish in the sea and all the living things on land began to be destroyed, a man named William Buelow Gould was sentenced to life imprisonment at the most feared penal colony in the British Empire, and there ordered to paint a book of fish. He fell in love with the black mistress of the warder and discovered too late that to love is not safe; he attempted to keep a record of the strange reality he saw in prison, only to realize that history is not written by those who are ruled. Acclaimed as a masterpiece around the world, Gould’s *Book of Fish* is at once a marvelously imagined epic of nineteenth-century Australia and a contemporary fable, a tale of horror, and a celebration of love, all transformed by a convict painter into pictures of fish.

This thought-provoking and timely book from a #1 New York Times bestselling novelist and noted child psychologist reveals the factors that often lead to explosive and shocking juvenile violence. “Ethically and morally, kids are works in progress. Throw in psychopathy and you’ve got a soul that will never be complete.” In this powerful, disturbing book, bestselling author and noted child psychologist Jonathan Kellerman shines a penetrating light on antisocial youth—kids who kill without remorse—asserting that “psychopathic

Bookmark File PDF Twisted Petra Connor 2 Jonathan Kellerman

tendencies begin very early in life, as young as three, and they endure.” Criticizing our quick impulse to blame violent movies or a “morally bankrupt” society, Kellerman convinces us that it is the kids themselves who need to be examined. Carefully. How do children become cold-blooded killers? Kellerman warns that today’s aggressive bully is tomorrow’s Mafia don, cult leader, or genocidal dictator. Violently psychopathic youths possess an overriding need for power, control, and stimulation, and all display a complete lack of regard for the humanity of others. He examines the origins of psychopathy and the ever-shifting debate between nurture and nature, offering some controversial solutions to dealing with homicidal tendencies in children. As timely as today’s headlines, more gripping than fiction, *Savage Spawn* is a provocative look at the links between society and biology, children and violence. Kellerman’s sobering message will remain with you long after the last page is turned. **BONUS:** This edition includes an excerpt from Jonathan Kellerman’s *Guilt*.
